CT - Chris Tallmadge

Class Level Explanation

"All Levels"

All summer session age-level classes will be taught to the level of the individuals enrolled in each class.

Summer session is a great time for dancers to both keep up on their technique in styles they currently take as well as try new styles they haven't taken in the past. Having "All Level" classes allows all our dancers freedom to choose classes that fit in their schedule.

Age 9-11
